6.0 Scoring

- 6.1 Points may only be scored on an individual event by a competitor who has signed-on before the start of the event, and who completed at least 50% of the tests on that event.
- 6.2 Points will be awarded for an Overall Challenge and towards a Class Challenge
- 6.3 Points towards the Overall Challenge will be scored on the basis that the first-placed competitor in the overall classification on each event will be awarded 30 points, second-placed will score 29 points and so on down to one point being awarded to the 30th-placed competitor.
- 6.4 Where three or more competitors in a class start an event, points towards the Class Challenge will be scored on the basis that the first-placed competitor in the class will be awarded 10 points, second-placed will score 9 points and so on down to one point being awarded to the 10th-placed competitor.
- 6.5 Where only two competitors in a class start an event, points towards the Class Challenge will be scored on the basis that the first-placed competitor in the class will be awarded 9 points and the second-placed will score 8 points.
- 6.6 Where only one competitor in a class starts an event, only 8 points will be scored towards the Class Challenge, provided that competitor is classified as a finisher. Competitors will discard scores as follows:

Number of events run	Number of events to count
10	7
9	7
8	6
7	6
6	5
5	4
4	3
3	3
2	n/a
1	n/a

- 6.7 In the event of a tie in either Overall or Class Challenges, the better score in a discarded round will be counted to resolve the tie. If a tie persists, the second-best discarded scores will count until the tie is resolved. If a tie still persists, then the competitor who scored the greater number of points first will be deemed to be the winner.
- 6.8 On any Challenge event, ties will be resolved by comparing total penalties accrued by each competitor after the first visit to each test site. If this fails to resolve the tie, then the total penalties accrued on the second visit to each test site will be considered, and so on until the tie is resolved.

7.0 Awards

- 7.1 Prizes will be awarded for class and 1st overall in the Advanced and Clubman categories.
Clubman Champion [the Clubman competitor who finishes highest in the Overall Challenge] will receive the **Orr Perpetual Trophy & replica**
- 7.2 To be eligible for an award the competitor must start a minimum of 5 rounds.
